Aug 2023 – Present

UI/UX Designer at Constient Global Solution

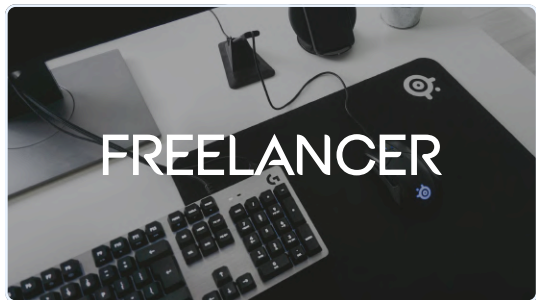

CGS appointed me as a UI/UX Designer, where I craft user-centered digital experiences with creativity and precision. With expertise in blockchain, web applications, websites, mobile apps, landing pages, and responsive design, I aim to design intuitive interfaces that boost user satisfaction and engagement.

Nov 2022 – July 2023

UI/UX Designer at Bigdot

I am a Junior UI/UX Designer at Bigdot, dedicated to creating impactful digital experiences. I specialize in translating ideas into wireframes, mobile apps, websites, presentations, social media graphics, business cards, and marketing materials, ensuring exceptional design solutions.

Jan 2022 – Oct 2022

UI/UX Designer at Freelancing

Freelancing as a UI/UX designer offers creative freedom and diverse projects but requires self-discipline, strong communication, and continuous networking to secure opportunities, build a strong portfolio, expand industry connections, and ensure long-term success.
