Aug 2025 – Present

UI/UX Designer at [CognitionX Logic](#)

At CognitionX Logic, I serve as a UI/UX Designer & Brand Executive, shaping seamless digital experiences and cohesive brand identities. I focus on aligning user needs with business goals to deliver clear, engaging, and scalable solutions.

Aug 2023 – Jun 2025

UI/UX Designer at [Constient Global Solution](#)

CGS appointed me as a UI/UX Designer, where I create user-focused digital experiences with clarity and precision. I specialize in web and mobile applications, responsive design, and intuitive interfaces that enhance user engagement.

Nov 2022 – July 2023

UI/UX Designer at [Bigdot](#)

I am a Junior UI/UX Designer at Bigdot, focused on delivering impactful digital experiences. I translate ideas into wireframes, mobile apps, websites, and marketing materials, ensuring effective and engaging design solutions.

Jan 2022 – Oct 2022

UI/UX Designer at [Freelancing](#)

Freelancing as a UI/UX Designer offers creative freedom and diverse projects but demands self-discipline, strong communication, and continuous networking to build a solid portfolio and ensure long-term success.
